STOW 'n GO

A secure area that will always be attended throughout the EXPO will be provided for your goodies. You may store your sewing machine when not in use or leave your purchases and packages while you enjoy the EXPO.

HELPFUL HINTS FOR EXPO

Be sure to review the class supply list(s) and bring all the necessary supplies.

There will be no wheeled carts allowed in Vendor Mall. We will have an area available to check your sewing machine after your class is completed, or you can return it to your vehicle.

You will be taking notes in your lap, so bring a notebook with a hardcover or a clipboard.

Please put cell phones on vibrate or turn it off before any class or lecture/demo begins. Ringing interrupts the class and is very annoying to fellow attendees.

Always ask permission before taking pictures of garments or projects and before recording any class lecture/demo.

Handle samples and garments carefully. Cap your pen and put it down while viewing samples.

It may be cooler than you would like in the Conference Center, so bring a sweater or jacket. Dressing in layers is the best option anytime you are attending an event in a large space. It is impossible for the air conditioning to be even throughout the center.

Wear comfortable shoes.

Bring cash, your checkbook and credit cards – all three. Vendors do appreciate cash, some will accept checks and credit cards are accepted.

Bring address labels – it makes it much easier to sign up for mailing lists and door prize drawings.

Names will be drawn for door prizes at 2:00 and 5:30 PM on Thursday and Friday, and 2:00 and 3:30 PM on Saturday. The names will be posted on a board at the ASG table. You must be present to win.

Be aware of any special dietary needs and plan accordingly. There will be food available for purchase both days.

All instructions or handouts are copyrighted and owned by the instructors. Please check with the instructor before sharing the workshop in any format with others.
